Environmental Outreach Event**

HOLD HARMLESS AND WAIVER OF LIABILITY AGREEMENT

Event Name: Loko Pā`aiu Fishpond

Event date: _____

For and in consideration of the permission granted by the United States Navy to enter upon Navy installations in Hawaii to participate in an environmental/cultural event and being informed of all the activities that I will engage in during this period of time, including, but not limited to, walking or climbing over rugged, rocky terrain, possibly through dense vegetation, I/We,

Print Volunteer's Name(s): _____

forever discharge and hold harmless the United States, United States Navy, and all of its officers and personnel, employees, representatives, successors, and assigns, including the Commanding Officer of Joint Base Pearl Harbor-Hickam, and the Commander, Navy Region Hawaii, JBPHH, Hawaii, from any and all liability under the Federal Tort Claims Act (28 U.S.C., Sections 1346(b), 2671-2680). I also waive all claims, demands, damages, actions or suits of any nature or legal basis against the United States of America, United States Navy, and their agencies, departments, officers, employees, personnel, successors, or assigns arising from any injury or alleged injury, including death and property damage or loss that occurs incident to my entering upon, engaging in any physical activities during the environmental/cultural event, transportation aboard, or use of any facilities located on Navy installations in Hawaii.

This waiver is legally binding on me and my heirs, executors, and administrators.

I acknowledge that I am aware of the risks involved in my participation in this environmental/cultural event. I further acknowledge my understanding that I am not authorized to collect any rock, sediment, feathers, fossil samples or other natural or cultural resource specimens of any kind and take them off Base.

I am aware that military training areas are not designed nor maintained for the needs of civilian groups and that potentially hazardous conditions exist, including, but not limited to the following: natural and man-made obstacles that may be visible or camouflaged; unexploded ordnance; holes; ditches; trenches; stinging insects; and other terrain features. I further acknowledge that I have carefully read this release, understand the contents thereof and sign this release as my free and voluntary act.
